### **What is PreSTARskate?**

**Skills, Tests, Achievement, Recognition** – this is what STARskate is all about!

The Red Deer Skating Club's PreSTARskate is an introductory program designed to teach the elements of figure skating. STARskate offers opportunities for skaters to develop skills in the areas of ice dance, skating skills, freeskate, and interpretive skating. This program teaches figure skating skills in a group lesson format in a progressive and sequential manner and includes specifically designed awards and incentives.

**QUALIFICATIONS:** Skaters must have completed CanSkate Level 4 *or* have been recommended by one of our coaches *or* have attended a previous PreSTARskate program.

Skaters have the opportunity to take private lessons with any of the Red Deer Skating Club's coaching staff at any time. If you are interested in finding out how to set up private lessons, please contact the club at (403) 358-1701 or email to [skatereddeer@hotmail.com](mailto:skatereddeer@hotmail.com).
