

PRESTARSKATE PROGRAM

WHAT IS PRESTARSKATE? Skills, Tests, Achievement, Recognition – this is what STARskate is all about!

The Red Deer Skating Club's PreSTARskate is an introductory program designed to teach the elements of figure skating. STARskate offers opportunities for skaters to develop skills in the areas of ice dance, skating skills, freeskate, and interpretive skating. This program teaches figure skating skills in a group lesson format in a progressive and sequential manner and includes specifically designed awards and incentives. **QUALIFICATIONS:** Skaters must have completed CanSkate Stage 4 or have been recommended by one of our coaches or have attended a previous PreSTARskate program. This is not a learn-to-skate program. For Prestarskate you will need to wear lace up figure skates (not molded or recreational skates with velcro or buckles). You will need mitts and a form fitting jacket as well as yoga pants or leggings or a skating dress (a dress is not mandatory). Boys wear track pants or sweats with tight legs. Please remember to wear layers as it is cold. Also, have your child's hair pulled back off their face so they can see where they are going.

Skaters have the opportunity to take private lessons with any of the Red Deer Skating Club's coaching staff. Please contact the coaches directly to make arrangements for lessons. Skaters who wish to have private lessons from a coach may do so during your PreSTARskate session. There will be an additional fee for coaching private lessons. If you have any questions; please contact the club at (403) 358-1701 or email: skatereddeer@hotmail.com.
